

# Brighton Vino Jegarajan

User Experience and Product Designer

Email: [me@brightonvino.com](mailto:me@brightonvino.com)

8+ years of professional experience and expertise in user experience and product design, information visualization, and application development.

## PROFESSIONAL EXPERIENCES

**Nutanix** / Senior User Experience Designer  
APR 2018 - PRESENT | SAN JOSE, US

Leading the design efforts for Flow in Prism; exploring, designing features that can enhance security capabilities of Nutanix's portfolio. I've also been designing key features and core capabilities in Xi Cloud Services. In addition, I work on designing certain platform-level experiences and defining visualizations patterns as a part of Nutanix Design System 2.0.

**VMware** / Senior User Experience Designer  
MAY 2015 - APR 2018 | PALO ALTO, US

First in-house Designer for the R&D Team at NSBU with my principal efforts focused towards driving the UX vision. In collaboration with PMs, Eng, and UI Devs, I lead the UX/Product design of the flagship product, NSX and its suite.

**VMware** / MTS Intern - UX Design  
MAY 2014 - AUG 2014 | PALO ALTO, US

Designed visualization concepts for large-scale network system (pat.) and developed a high-fidelity prototype to demonstrate the concepts.

**Brio Systems Pvt. Ltd** / Founding Engineer and Product Architect  
SEP 2011 - MAY 2013 | CHENNAI, IN

Lead the technical team at Briosys in its successful venture, RightCar (now CarAndBike.com) playing a pivotal role in the user-experience design. Also architected a machine learning and visualization engine, which analyzes and predicts in real-time trading trends in the used-car market.

**!Works** / Co-Founder and Designer-Developer  
MAY 2010 - AUG 2015 | CHENNAI, IN

**Aricent Group** / Software Engineer  
SEP 2010 - SEP 2011 | CHENNAI, IN

**Georgia Institute of Technology** / Research Assistant  
AUG 2013 - MAY 2015 | ATLANTA, US

## ACADEMICS

**Georgia Institute of Technology** / MS in Human Computer Interaction  
AUG 2013 - MAY 2015 | ATLANTA, US | GPA: 3.92

**SSNCE, Anna University** / BE in Computer Science and Engineering  
AUG 2006 - APR 2010 | CHENNAI, IN | RANK: 32 / 14510
